

# Fee Assistance Endowment

Ensuring that families have access to the financial assistance they need, today and tomorrow.

The Fee Assistance Endowment Fund supports our desire to have a long-term solution to meet the ongoing needs of the children and families we serve. It will provide an annual dividend to meet requests for fee assistance for families needing financial support. This endowment provides financial stability for Aspire to continue providing fee assistance for families in the years to come.

## Our Goal

Each year families access approximately \$70,000 in fee assistance which provides them with barrier-free access to the programs and services they need. We ask that you consider contributing to our Fee Assistance Endowment Fund so that we can reach the \$1.4 million that we need to fully cover this annual need.

## The Impact

One of the smartest investments a community can make is to invest in children. Gaining access to effective intervention services has a long-term impact on a child and their families overall health, education and financial well-being. With your support, children and families can learn, grow and change our community's future.

## Our Mission

A charitable organization providing hope to children with special needs, the families who love them, and the communities that care for them.

## Our Core Principle

To ensure children have access to services that support their growth and potential.

## Create a Legacy — Your Donation In Action

Your investment in the lives of children provides access to services for the life of the endowment.  
Your gift to Aspire builds a legacy of hope for the families who require fee assistance.

## Donation Options

### One-time Donation

Your one-time donation of any amount will contribute to the growth of the endowment and the barrier free access that it provides.

### Named Funds \$25,000+

A named fund can be created within our endowment fund for donors who contribute \$25,000 or more. This amount can be spread over 5 years with annual contribution payments. Donors can choose the name of their fund and will receive annual updates on its performance.

\*Please note calculations are based on an assumed ROI of 8% and 5% disbursement rate. These are subject to change based on current market valuations. All donors will receive a tax receipt and will be listed in our annual report if desired.

Support children with special needs in central Alberta by ensuring that everyone has access to the services they need.
